Dear Ms. Matheson

RE: Thank You for Attendance at the NOSDA 2016 Annual General Meeting

Many thanks for your excellent presentation on the activities on the Northeast Local Health Integration Network's recent activities. Our members were most interested in our joint project on Innovative Housing with Health Delivery and were asking for your presentation – which we will be posting on our website.

Your keynote presentation highlights the importance we place on our developing relationship with the Northeast LHIN as our respective organizational roles evolve.

With our best wishes for a safe and enjoyable summer.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Iain Angus', is written over a light blue rectangular background.

Iain Angus, Chair
